Each academic year ushers in new excitement, aspirations, and opportunities for all stakeholders. Students step into classrooms with enthusiasm, teachers and leaders bring fresh ideas, and parents hold new hopes. At DPS Jalandhar, our philosophy of nurturing young minds through a strong teaching foundation serves as a steady compass to fulfil these shared aspirations.

The academic year 2025–26 is no exception. It began on an auspicious note with a sacred Hawan ceremony, invoking blessings for a year filled with learning and growth. This year also marked a significant milestone—our 24th Foundation Day—celebrated with great enthusiasm and pride. One of the highlights of the celebration was an enriching and vibrant Book Fair that reflected our school's strong reading culture. What made it truly special was the display of books penned by our very own budding authors, showcasing the creative spirit nurtured within our classrooms. Adding a magical touch, the young learners enthusiastically dressed up as their favourite book characters, bringing beloved stories to life and reinforcing our identity as a reading school.

The spirit of leadership was celebrated through the solemn Investiture Ceremony, where the newly elected student council members were formally entrusted with their roles. The ceremony stood as a powerful reminder of our belief in empowering students and nurturing responsible citizens of tomorrow. With sashes and badges pinned with pride, these young leaders pledged to uphold the school's values and lead by example.

As we stride forward into the academic year 2025–26, with innovation as our ally and scholastic excellence as our beacon, we remain committed to cultivating a rich learning environment driven by vision. With collaborative efforts of our students, parents, and educators, I am certain that this year too will be adorned with a tapestry of achievements, growth, and joyful learning. By continuing to work hand in hand, let us make this educational odyssey memorable and meaningful for every student of DPS Jalandhar.
