Public Alert

Against rumours and fake information about ongoing CBSE Exams

1. The CBSE annual examinations of Class X and XII have commenced for this year and will continue till 5th April, 2023. The Board has made elaborate arrangements for smooth and fair conduct of examinations.
2. It has come to the notice of the Board that certain unscrupulous elements are regularly spreading rumours on YouTube, Facebook, Twitter and other social media platforms about paper leak or claiming to have access to question papers of 2023 exams. These persons, groups and agencies intend to fleece the gullible students and parents as they demand money in return. Such irresponsible activities create confusion and panic among the students and public.
3. The Board is vigilant and active in identifying and taking action against those spreading fake news and rumours.
4. CBSE is regularly intimating Delhi Police Special Cell (MAC) to take stern action against persons involved in circulating fake news using social media platforms under various provisions of IPC and IT Act.
5. CBSE will take action against a student under UNFAIR MEANS rules and various sections of IPC if found indulging in spreading fake news. Parents are also requested to guide their wards not to believe such rumours and not indulge in any such activity which hampers the smooth conduct of Board examinations.
6. Public is therefore alerted against such unverified news and rumours during the ongoing exams and further requested not to participate in such activities or spread such information through any form of communication to maintain the sanctity of examinations at all cost.
